

To All Students on the BSc (Hons) Business Computing (Final Year Top Up)

Dear Student

**Course Termination Notice – BSc (Hons) Business Computing (Final Year Top-up)**

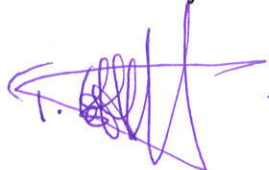

This is an important notice. Please take the time to read it carefully.

Teesside University has decided to withdraw the BSc (Hons) Business Computing (Final Year Top-Up) from its portfolio of awards. This means that you have until 31<sup>st</sup> January 2012 to complete the taught modules on this programme. If you do not complete the taught modules by this time you will be withdrawn from the course. If you have completed all the taught modules on your programme by 31<sup>st</sup> January 2012 you will be allowed to complete your project within a further six months.

If you require further information about this decision and its consequences for you please contact me.

Please note that RDI has validated a BSc (Hons) Business Computing Final Year top-up programme with the University of Wales. This programme is also delivered by online learning. You may wish to consider applying to transfer your studies to this new programme. To apply for a transfer or for further information please contact a Programme Advisor at RDI on 0800 STUDENT/ 0800 7883368 or on 0044 2476 515700 if you are outside the UK, or email [achieve@rdi.co.uk](mailto:achieve@rdi.co.uk).

Yours Faithfully
